

INN ON RANDOLPH
NAPA

A Note for *You*

Congratulations on your engagement and upcoming nuptials or renewals! Ahead of you is an incredible journey, and we look forward to being part of the first step.

At the Inn on Randolph we take pride in our unique atmosphere. Whether it's a basic elopement or an elaborate small gathering, we are here to help make your vision a reality.

Below you will find information on what you can expect from us, what we have to offer, and hopefully cover the most common questions you may ask when considering the location of your special day. At the end of this document will be a link to a questionnaire for you to fill out so we are better prepared to answer your questions and subsequent *Live Consultation*.

Please note that we are an allergen conscious and gluten-free inn, and as such we cannot allow pets on property or glutinous food in the main house.

Again, congratulations on this exciting new journey!

Sincerely,
The Inn on Randolph

Your Timeline

Before You Commit to Booking

General Informational

Upon your inquiry, we will request that you fill out a questionnaire so that we can get to know you as a couple. Once your questionnaire is submitted, our staff will move forward with providing you a quote and the options available to you.

Should you still have any concerns or questions before you're ready to commit, you may email us at events@innonrandolph.com for further information.

After You Commit to Booking

In-Person or Digital "Live Consultation"

Whether you are able to make it out here for a special trip to see the property, live locally, or simply want to see us through a live feed, we are here to accommodate! In this step, you have decided to commit to your elopement or wedding at the Inn on Randolph, and are prepared to make the booking if you haven't already. We will cover your vision of the event including ceremony, decorations, vendors and Inn on Randolph Preferred Partners, your expectations of the days' events and their timeline. We will also do an in-person or virtual walk-through of the property, and rooms/cottages as available to see that day.

Booking & Scheduling Post-Live Consultation

With your decision to book, we will take the next steps of signing a contract, reserving rooms and/or cottages as needed, scheduling the time and location on property for your event, and vendors if you would like our assistance. It is important to note that if your event does not include a buyout of the inn, we will make recommendations to best accommodate both you and your party as guests of honor, and the privacy and tranquility of our other guests on property.

The Plans & Beyond

At this point in your event planning we will have phone calls, video chats, or in-person meetings on an as needed basis to ensure that every detail is perfected, and that you and your fiancé are at ease with your planned event. What that looks like is different for every couple, and we will customize to suit your needs.
